Vision to the World for the World

Clifton and Leta McDowell have been traveling in the USA. One trip was to Minnesota to attend the AFCM ministers' conference and who do they see...Rev. Jenny Roberts, AFCM-Africa director from Kisumu, Kenya! What a surprise and a great treat to visit with her in the USA. Rev. Jenny brought forth a stirring message and an appeal for foreign missions.

The McDowell's traveled on to Tacoma, WA to minister at Living Stone Church. Rev. Leta McDowell spoke in both morning services concerning the love of God and that we are His Song! They really enjoyed the lunch and fellowship that followed the morning services. A couple from Kenya also joined the group at the Chinese seafood restaurant.

The McDowells traveled on to Oregon to spend a few days with Leta's mom, sister and her family. When they arrived Leta's sister had a new granddaughter and a few days later a new grandson arrived with so much excitement!

The McDowells have continued to minister in several churches and conferences in Oklahoma; attend a World Mission Conference, and the regional RMAI retreat.

The Fall also is a time to celebrate their wedding anniversary. This year they were blessed by their daughter and her husband with a trip to Branson, MO and 3 nights at Big Cedar Lodge. The Lodge was so beautiful and they enjoyed sitting on the balcony overlooking Table Rock Lake. Another highlight to their trip was the exciting Dixie Stampede.

Build 'N Back, which is a project to build the McDowell's a place to stay on the WWTC-Kenya campus, is making some progress. The staff is working diligently to get the plans completed, government agencies' approvals and stock pile the necessary material. \$6,000 has been donated for the project with another \$1,000 pledged before the year's end. The McDowell's are planning to return to Kenya the end of February.

Introducing Rev. Steve Auchi

Rev. Steve Auchi is the Evangelism/Outreach Coordinator for WWTC-Kenya. He graduated from WWTC in 2007, finishing his internship in 2010. He teaches biblical studies classes and Microsoft Word for the computer technology classes. He has a vision for the youth of Kenya and a big heart for evangelism. During the interim period at WWTC he has developed a program to mentor the youth of Kenya. Here are Steve's own words and some testimonials from the youth in his program:

"This year during WWTC interim I had the urge to begin a youth leadership mentoring program in high schools. I have 1,450 young people who are undergoing the program. I am training youths who have volunteered to train others. I am trusting God for them to complete the training program this month. I lack words as I review the testimonials from the youths that are participating in the program. I thank God for sending the McDowell's to Kenya and for all WWTC has put into me. Thank you for giving me this opportunity."

STEVE AUCHI—WWTC Evangelism/Outreach Coordinator

"My testimony is that this mentorship program has helped me gain courage because earlier on I so feared and did not have the courage to face my friends who had problems, but after I joined this program I have the courage. I am now advising and encouraging my friends during hard times. The program has helped me be a good steward of myself and has also helped me learn how to take care of God's valuable things that He has entrusted to me. I have discovered my true identity and who I am in Christ. God bless you guys." **LIVINSTONE WEKESA**—High School Freshman

"I was a bad girl who didn't know God. I was disrespectful and even engaged in drugs and other things. I had no direction in life. Since I joined this program I have learned so much that it has transformed my life. Now I have a relationship with God. I go to church. I am a disciplined girl. I respect my parents and they are grateful for this program. They are eager for me to complete the program so I can reach the young people in my village who have given up on life. I have been taught to know how to make good choices and now have the desire to study the word of God. The training is so practical and simple. Thank you guys and I pray for God to bless you with finances for you to touch so many young people in Kenya and Africa." **NEHEMA VUGASU**—High School
