Ministry in the USA and Kenya Continue!

Clifton and Leta McDowell returned to the USA on January 28, 2014 leaving World Witness Training Centre (aka WWTC-Kenya) in the very capable hands of their staff. Rev. Benson Lyanda and Rev. Judith Otanga have been designated as overseers while they are away. Ben and Judy will be assisted by the rest of the staff...Rev. Oliver Aluvala, Rev. Steven Auchi, Josephine Minayo, Dennis Emmanuel plus the domestic staff of Ruth, Rose and Sermon.

Even though the McDowells are in the USA they continue their preaching and teaching ministry while the staff of WWTC-Kenya continues conducting classes for the students, preparing Continuing Education Program seminars for the alumni and arranging the Annual Evangelistic Outreach.

The McDowells for the past several weeks have been ministering in various churches, conferences, women's seminars and senior citizens groups in Oklahoma with plans to take their ministry on the road to other states in America. They plan to head north stopping by the AFCM Family Reunion in Minnesota then travel west toward Oregon and Washington, returning to Oklahoma in time to attend campmeeting at Rhema Bible Church in Tulsa, OK.

Visiting with friends and family has also been a real treat for them while in the USA.

Reaching Kegoye - Our Neighborhood

WWTC-Kenya staff and students assisted by local church members reach out to our Kegoye neighborhood with the love of Jesus.

The annual evangelistic event began on June 3rd and lasted through June 6th. The staff, students and church members visited the neighbors sharing the gospel of Jesus during the day inviting them also to attend the evening revival services at Vumale.

A total of 285 people were reached and 198 of those made a decision to receive Jesus as their personal savior. Several also received healing, deliverance from oppression and answers to prayers.

We praise the Lord for another successful event and give all the glory to Him for the outpouring of His Spirit on our neighborhood.
